Explicación · Explanation

Lee cada recuadro despacio. Primero en español, luego en inglés. Read each box slowly: first in Spanish, then in English.

¿Qué es? · What is it?

Was y were son el pasado del verbo TO BE. Si am / is / are significan soy, estoy, entonces was / were significan era, estaba, fui, estuve. Los usamos para hablar de cómo eran las cosas, dónde estábamos y cómo nos sentíamos en el pasado: ayer, el verano pasado, cuando éramos pequeños…

Was and were are the past of the verb TO BE. We use them to say where we were, what things were like and how we felt in the past.

I / he / she / it + was

you / we / they + were

Del presente al pasado · From present to past

Presente · Present	Pasado · Past	Español
I am	I was	yo era / estaba
you are	you were	tú eras / estabas
he / she / it is	he / she / it was	él / ella era, estaba
we are	we were	éramos / estábamos
they are	they were	eran / estaban

¡Buena noticia! En presente hay tres formas (am, is, are), pero en pasado solo hay dos: was y were.

Good news: only two forms in the past, was and were.

1 · Afirmativa · Affirmative

Con I, he, she, it (y con un solo nombre: Mario, my dog, the film) usamos was. Con you, we, they (y con plurales: my friends, the dogs) usamos were. ¡Ojo! You siempre va con were, aunque hables con una sola persona.

Use was with I, he, she, it. Use were with you, we, they. You always takes were, even for one person.

I / he / she / it + was + at home

you / we / they + were + at home

I was at the cinema yesterday.
→ Ayer estuve en el cine.

Rocky was very hungry.
→ Rocky tenía mucha hambre.

We were in Asturias last summer.
