SOME, ANY, MUCH, MANY

Nivel A2

Countable and uncountable · cantidades

Unas cosas se **cuentan** (apples) y otras **no** (water). Eso decide si uso **many** o **much**, **a few** o **a little**.

1 Contables

- Se pueden contar: one apple, two apples
- Tienen plural: eggs, sweets, friends
- En singular llevan a / an: **an** egg

2 Incontables

- Sin plural y sin a / an: ~~a bread breads~~
- Verbo en singular: The milk **is** cold.

3 SOME / ANY

some ✅ afirmativas: I've got some sweets.

any ⛔ negativas y ❓ preguntas

Para ofrecer o pedir → **some**: Can I have some water?

4 MUCH / MANY

many + contables: many apples

much + incontables: much milk

Sobre todo en ⛔ y ❓: **How many...?** **How much...?**

5 A LOT OF

- Vale para **todo**: a lot of apples, a lot of milk
- En ✅ es lo más natural: I've got **a lot of** friends.
- **lots of** = a lot of

7 Error común

✗ How many money have you got?

Explicación · Explanation

Lee cada recuadro despacio. Primero en español, luego en inglés. Read each box slowly: first in Spanish, then in English.

¿Qué es? · What is it?

En inglés las cosas se dividen en dos equipos: las que se pueden **contar** (countable: one apple, two apples) y las que **no se pueden contar** (uncountable: water, milk, bread). Saber de qué equipo es una palabra es la clave para elegir **some o any**, **much o many** y **a few o a little**.

Nouns can be **countable** (apples) or **uncountable** (water). This decides if we use **much** or **many**, **a few** or **a little**.

contable + one apple, two apples

incontable + water, milk (sin plural)

¿Contable o incontable? · Countable or uncountable?

Truco: si puedes poner un **número** delante (two eggs ✅), es **contable**. Si suena raro (~~two milks~~), es **incontable**.

Can you put a number before it? Yes → countable. No → uncountable.

🍎 Contables

- apple → apples
- egg → eggs
- sweet → sweets
- biscuit → biscuits
- sandwich → sandwiches
- friend → friends

💧 Incontables

- water · milk · juice
- bread · cheese · rice
- sugar · flour · butter
- money · time
- homework · music
- hair · fruit

1 · Contables · Countable nouns

Los nombres **contables** son cosas que puedes contar con los dedos: one banana, two bananas, three bananas. Tienen **singular y plural**, y en singular llevan **a / an**: a sandwich, an egg. Son casi todos los objetos, animales y personas.

Countable nouns can be counted. They have a singular and a plural, and use **a / an** in the singular.

a / an + egg

two / three + eggs

Leo has got **two brothers**.
→ Leo tiene dos hermanos.

There's **an apple** in my lunchbox.
→ Hay una manzana en mi fiambrera.

Rocky has got **three balls**.
→ Rocky tiene tres pelotas.

📖 **Explicación** · Explanation | **Nivel A2**

2 · Incontables · Uncountable nouns

Los nombres **incontables** son cosas que no puedes contar una a una: líquidos (water, milk, juice), cosas en polvo o en granitos (sugar, rice, flour) y otras como bread, cheese, money, homework, music, hair. No tienen plural, no llevan **a / an** y el verbo va en **singular**. ¡Ojo! En español decimos «un pan» o «los deberes», pero en inglés ~~a bread~~ y ~~homeworks~~ están mal.

Uncountable nouns (water, milk, bread, money, homework) have no plural and no **a / an**. The verb is singular.

water / milk / bread + is

Water is very important.
→ El agua es muy importante.

I love chocolate!
→ ¡Me encanta el chocolate!

Lucía's hair is very long.
→ Lucía tiene el pelo muy largo.

3 · SOME y ANY · Some and any

Some y **any** significan «algo de» o «algunos/as», y sirven para contables en **plural** e incontables. La regla fácil: **some** en frases **afirmativas** ✅, **any** en **negativas** ⛔ y **preguntas** ❓. En negativa, any significa «nada de» o «ningún»: I haven't got any money = No tengo nada de dinero. Para **ofrecer** o **pedir** algo usamos **some** aunque sea pregunta: Would you like some cake?

some → affirmative sentences. **any** → negatives and questions. Offers and requests use **some**.

✅ + some + sweets / milk

⛔ ❓ + any + sweets / milk

I've got some sweets in my bag.
→ Tengo unas chuches en la mochila.

There isn't any milk in the fridge.
→ No hay leche en la nevera.

Have you got any brothers or sisters?
→ ¿Tienes hermanos?

Would you like some cake?
→ ¿Quieres tarta?

4 · MUCH y MANY · Much and many

🇪🇸 **Many** (muchos/as) va con **contables en plural**: many books, many friends. **Much** (mucho/a) va con **incontables**: much water, much time. Las usamos sobre todo en **negativas** y **preguntas**. Truco: **many** → cosas que cuentas con **números** (1, 2, 3…); **much** → un **montón** que no se puede contar.

🇬🇧 **many** + plural countables; **much** + uncountables. We use them mostly in negatives and questions.

many + books / friends / apples

much + water / time / money

Are there **many** children in your class?
→ ¿Hay muchos niños en tu clase?

I haven't got **much** time.
→ No tengo mucho tiempo.

Tom doesn't eat **many** vegetables.
→ Tom no come muchas verduras.

5 · A LOT OF · A lot of

🇪🇸 **A lot of** (o **lots of**) significa «mucho/a, muchos/as» y es la palabra comodín: sirve para contables e incontables. En las frases **afirmativas** es lo más natural: decimos I've got a lot of homework, no ~~I've got much homework~~ (suena muy raro).

🇬🇧 **a lot of / lots of** works with countable and uncountable nouns. It's the natural choice in affirmative sentences.

a lot of + comics / fruit

Tom has got **a lot of** comics.
→ Tom tiene muchos cómics.

We eat **a lot of** fruit at home.
→ En casa comemos mucha fruta.

There are **lots of** people in the park today.
→ Hoy hay mucha gente en el parque.

📖 Explicación · Explanation | Nivel A2

7 · A FEW y A LITTLE · A few and a little

Para hablar de una **cantidad pequeña**: **a few** (unos pocos, unas pocas) con **contables** en plural, y **a little** (un poco de) con **incontables**. Truco: **a few** = unos pocos que puedes contar (1, 2, 3); **a little** = un poquito que no se cuenta.

a few + plural countables (a few friends). **a little** + uncountables (a little sugar).

a few + biscuits / friends

a little + milk / sugar

There are **a few** biscuits in the box.
→ Hay unas pocas galletas en la caja.

Can I have **a little** sugar, please?
→ ¿Me das un poco de azúcar, por favor?

¿Qué palabra uso? · Which word do I use?

1. Mira el nombre: ¿se puede **contar** (two apples ✅) o no (~~two milks~~)?
   Is the noun countable or uncountable?
2. ¿La frase es ✅ afirmativa? → **some** o **a lot of**.
   Affirmative → some / a lot of.
3. ¿Es ⛔ negativa o ❓ pregunta? → **any**. Para «mucho»: **many** (contable) o **much** (incontable).
   Negative or question → any, many, much.
4. ¿Preguntas la cantidad? → **How many** + plural / **How much** + incontable.
   Asking the amount → How many / How much.
5. ¿Es una cantidad pequeña? → **a few** (contable) / **a little** (incontable).
   Small amount → a few / a little.

¿Qué palabra uso? · Which word do I use? (continúa · cont.)

6. ¿Ofreces o pides algo? → **some**: Would you like some…? Can I have some…?
   Offers and requests → some.
