PRESENT PERFECT

Nivel B1

Present perfect · experiencias de la vida

Usamos el **PRESENT PERFECT** (**have/has + participio**) para contar **experiencias** de la vida, sin decir cuándo.

1 ¿Cómo se forma?

- have + participio — I, you, we, they
- has + participio — he, she, it

Contracción: I've seen · she's been

2 Experiencias

- Tu vida hasta hoy, **sin fecha**.
- I've been to London. (He estado en Londres.)
- She's tried sushi. (Ha probado el sushi.)

3 Negativa y NEVER

- I haven't seen it. (No la he visto.)
- I've never flown. (Nunca he volado.)
- never ya es negativo: ¡sin not!

4 Preguntas con EVER

- Have you ever been to Paris?
- Has she ever won a prize?
- Yes, I have. / No, I haven't.

5 BEEN o GONE

- been to = fue y ya volvió
- gone to = se fue y sigue allí

He's gone to Rome. (Está en Roma.)

7 Error común

✗ I have saw that film.

✓ I have seen that film.

have + participio (3.ª columna)

6 Participios clave

see → seen · eat → eaten · fly → flown · go → gone · win → won · meet → met

Regulares = pasado: visited, tried

Mini ejercicio

Completa con el present perfect.
Complete with the present perfect.

1. I _____ (be) to Italy twice.
2. She _____ (never / eat) sushi.
3. _____ you ever met a famous person?
4. We _____ (not / see) that film.
5. Has he ever _____ (fly) a drone?

Explicación · Explanation

Lee cada recuadro despacio. Primero en español, luego en inglés. Read each box slowly: first in Spanish, then in English.

¿Qué es? · What is it?

El **present perfect** se forma con **have / has + participio** y es un puente entre el pasado y el presente. En este mapa lo usamos para las **experiencias**: lo que has hecho (o no) en tu vida **hasta ahora** —viajes, comidas, logros— cuando **no decimos cuándo** pasó. Equivale a «he estado», «has probado», «nunca ha volado».

The **present perfect** is **have / has + past participle**. We use it for **life experiences** up to now, when we **don't say when** they happened.

Sujeto + have / has + participio + …

1 · Afirmativa · Affirmative

Con **I, you, we, they** usamos **have**; con **he, she, it** (o un nombre en singular) usamos **has**. Detrás va siempre el **participio** (la 3.ª columna de los verbos irregulares, o **-ed** en los regulares). En la conversación casi siempre contraemos: **I've, you've, she's, we've**. Ojo: **she's tried** = she has tried (detrás va un participio), pero **she's tired** = she is tired.

have with I / you / we / they, **has** with he / she / it, then the **past participle**. We usually contract: I've, she's. **'s** + participle = **has**.

I / you / we / they + have ('ve) + participio

he / she / it + has ('s) + participio

I've been to Scotland twice.
→ He estado en Escocia dos veces.

My sister has run three marathons.
→ Mi hermana ha corrido tres maratones.

We've seen all the seasons of that series.
→ Hemos visto todas las temporadas de esa serie.

PRESENT PERFECT

Present perfect · experiencias de la vida

📖 Explicación · Explanation | Nivel B1

2 · Negativa · Negative

Para la negativa añadimos **not** a have / has: **haven't / hasn't + participio**. Para decir «nunca» usamos **never** entre have/has y el participio. ¡Ojo! **never** ya es negativo, así que el verbo va en **afirmativa**: ~~I haven't never…~~

Negative: **haven't / hasn't + participle**. Or use **never** with a positive verb: I've never… (no double negative).

Sujeto + haven't / hasn't + participio

Sujeto + have / has + never + participio

I **haven't read** the book, but I've seen the film.
→ No he leído el libro, pero he visto la película.

My grandad **has never used** social media.
→ Mi abuelo nunca ha usado las redes sociales.

They've **never travelled** abroad.
→ Nunca han viajado al extranjero.

3 · Preguntas y respuestas cortas · Questions and short answers

En la pregunta, **Have / Has** va **delante del sujeto**. Para preguntar por experiencias añadimos **ever** («alguna vez») justo antes del participio. En la respuesta corta repetimos solo el auxiliar, **sin participio**: Yes, I have. / No, she hasn't.

Questions: **Have / Has + subject + (ever) + participle?** Short answers use only the auxiliary: Yes, I have. / No, I haven't.

Have / Has + sujeto + ever + participio + …?

Yes, + sujeto + have / has

No, + sujeto + haven't / hasn't

Have you **ever been** to a music festival? — Yes, I **have**.
→ ¿Has ido alguna vez a un festival de música? — Sí.

Has Pablo **ever cooked** for you? — No, he **hasn't**.
→ ¿Pablo ha cocinado alguna vez para ti? — No.

Have your parents **ever flown**? — No, they **haven't**.
→ ¿Tus padres han volado alguna vez? — No.

4 · EVER, NEVER y BEFORE · ever, never and before

ever = «alguna vez»: va en **preguntas**, entre el sujeto y el participio. **never** = «nunca»: va en frases afirmativas con sentido negativo. **before** = «antes»: va al **final** de la frase. En afirmativa **no** se usa ever: ~~I've ever eaten snails.~~

ever in questions, **never** in positive verbs with negative meaning, **before** at the end. Don't use ever in positive sentences.

Have you + ever + participio …?

I've + never + participio …

… participio + before

Have you **ever** slept in a tent?
→ ¿Has dormido alguna vez en una tienda de campaña?

I've **never** broken a bone.
→ Nunca me he roto un hueso.

Have we met **before**? Your face looks familiar.
→ ¿Nos conocemos de antes? Tu cara me suena.

5 · Cuántas veces y «la primera vez» · How many times? The first time

Para contar experiencias: **once** (una vez), **twice** (dos veces), **three / four… times**. Dos estructuras muy útiles: **It's the first time I've…** (¡en español usamos presente: «es la primera vez que veo»!) y **the best / worst… I've ever…** (el mejor / peor… que he… nunca).

once, twice, three times. Use the present perfect after **It's the first time…** and after superlatives: **the best film I've ever seen**.

It's the + first time + I've + participio

the + best / worst + nombre + I've + ever + participio

I've been to that restaurant **twice**.
→ He ido a ese restaurante dos veces.

It's the first time I've seen snow!
→ ¡Es la primera vez que veo nieve!

This is **the best** concert **I've ever been** to.
→ Es el mejor concierto al que he ido nunca.

been to = went and came back (experiences). **gone to** = went and is still there.

Hi, I'm Irene. I'm nineteen and I study Tourism in Valencia. People always ask me: "Have you travelled a lot?" Well, I've been to six countries so far. I've been to France and Portugal many times because they're close, and I've been to Morocco once, on a school trip.

I've never been to Asia, but it's at the top of my list. I've tried Japanese food, of course — I love ramen — but I've never used chopsticks properly! My best friend, Sara, has been to Japan twice. She says it's the most amazing place she's ever visited.

Right now Sara isn't in Spain: she's gone to Iceland with her family. She has sent me photos of the Northern Lights. I've never seen them, so I'm a bit jealous! Have you ever seen them?
