ALREADY, YET y JUST

Already, yet, just and still · ya, todavía, acabar de

Nivel B1

Con el present perfect, already, yet, just y still dicen si algo ya ha pasado… o todavía no.

1 ALREADY = ya

- Pasó antes de lo esperado.
- Va entre have y el participio.
- I've already eaten. (Ya he comido.)

2 YET = ¿ya? / todavía no

- Al final de negativas y preguntas.
- Have you paid yet? (¿Ya has pagado?)
- I haven't paid yet. (Todavía no.)

3 JUST = acabar de

- Algo muy reciente.
- Va entre have y el participio.
- She's just left. (Acaba de irse.)

4 STILL = todavía

- Algo sigue igual (¡qué impaciencia!).
- Delante de haven't / hasn't.
- I still haven't paid. (Aún no he pagado.)

5 ¿Dónde van?

have + already / just	+ participio
… + yet	al final
still + haven't	delante

7 Error común

✗ I've finished yet.

✓ I've already finished.

afirmativa → already · neg. / pregunta → yet

ALREADY, YET y JUST

Already, yet, just and still · ya, todavía, acabar de

📖 Explicación · Explanation | Nivel B1

📖 Explicación · Explanation

Lee cada recuadro despacio. Primero en español, luego en inglés. Read each box slowly: first in Spanish, then in English.

¿Qué es? · What is it?

🔎

Already, yet, just y still son cuatro palabras pequeñas que suelen ir con el present perfect y que en español traducimos casi siempre con «ya», «todavía» o «acabar de». El problema es que «ya» y «todavía» tienen varias traducciones en inglés: depende de si la frase es afirmativa, negativa o pregunta. Y lo más importante: cada una tiene su posición fija en la frase.

Already, yet, just and still often go with the present perfect. Their meaning depends on the type of sentence, and each one has a fixed position.

have / has + already / just + participio

haven't / hasn't + participio + ... + yet

still + haven't / hasn't + participio

1 · ALREADY (ya) · already

✅

Already = «ya». Indica que algo ha pasado antes de lo que esperábamos o antes de ahora. Va en frases afirmativas, entre have/has y el participio. En preguntas también aparece (al final), pero entonces expresa sorpresa: Have you finished already?! = ¿¡Ya has terminado?!

Already = something happened sooner than expected. It goes between have/has and the participle. In questions it shows surprise.

Sujeto + have / has + already + participio

🏨 I've already booked the hotel.
→ Ya he reservado el hotel.

⚽ The match has already started!
→ ¡El partido ya ha empezado!

📖 Have you finished the book already? That was fast!
→ ¿Ya te has terminado el libro? ¡Qué rápido!

Preguntas: YET o ALREADY · Questions: yet or already?

🤔

En las preguntas normales usamos yet. Si usamos already, la pregunta muestra sorpresa porque algo ha pasado antes de lo que pensábamos.

Normal question → yet. Surprised question → already.

? yet · pregunta normal

- Have you packed yet?
- Has the film started yet?
- (Quiero saberlo.)

😲 already · ¡sorpresa!

- Have you packed already?!
- Has the film started already?!
- (¡Qué pronto!)

ALREADY, YET y JUST

Already, yet, just and still · ya, todavía, acabar de

📖 Explicación · Explanation | Nivel B1

2 · YET (¿ya? / todavía no) · yet

🇪🇸 **Yet** se usa en **preguntas** («¿ya…?») y en **negativas** («todavía no»). Indica que **esperamos** que algo pase. Va siempre **al final de la frase**. Como respuesta corta: **Not yet.** = «Todavía no / Aún no». ¡Nunca va en afirmativa!

🇬🇧 **Yet** goes in **questions** and **negatives**, at the **end** of the sentence. We expect something to happen. Short answer: **Not yet.**

Have / Has + sujeto + participio + … + yet?

Sujeto + haven't / hasn't + participio + … + yet

✉️ Have you replied to the email **yet**?
→ ¿Ya has contestado al correo?

📺 I haven't watched the last episode **yet**. No spoilers!
→ Todavía no he visto el último capítulo. ¡Nada de spoilers!

📦 Has the parcel arrived? — **Not yet.**
→ ¿Ha llegado el paquete? — Todavía no.

3 · JUST (acabar de) · just

🇪🇸 **Just** indica que algo ha pasado **hace muy poco**. En español decimos **«acabar de + infinitivo»**: «acabo de llegar» = **I've just arrived.** Va entre **have/has** y el participio, igual que already. ¡No traduzcas «acabar de» palabra por palabra!

🇬🇧 **Just** = a very short time ago. It goes between **have/has** and the participle. Spanish: «acabar de + infinitivo».

Sujeto + have / has + just + participio

🚆 I've just arrived at the station.
→ Acabo de llegar a la estación.

📱 She's just posted a new video.
→ Acaba de subir un vídeo nuevo.

🍽️ We've just had lunch, thanks.
→ Acabamos de comer, gracias.

YET o STILL · yet or still?

🇪🇸 Las dos se traducen como «todavía no», pero no suenan igual. **yet** es neutro: esperamos que pase pronto. **still** añade **impaciencia** o sorpresa: ¡ya debería haber pasado! Fíjate también en la **posición**.

🇬🇧 **yet** = neutral, at the end. **still** = impatient or surprised, before haven't / hasn't.

😐 yet · neutro, al final

- I haven't finished **yet**.
- The bus hasn't come **yet**.
- She hasn't called **yet**.

😤 still · impaciente, delante

- I **still** haven't finished!
- The bus **still** hasn't come!
- She **still** hasn't called!

4 · STILL (todavía) · still

Still = «todavía, aún». Dice que una situación **continúa**. Con el present perfect va en negativas, **delante de haven't / hasn't**, y suena más **impaciente** o sorprendido que yet. También se usa en afirmativas con otros tiempos, delante del verbo principal y detrás de be: I still live with my parents. She's still asleep.

Still = the situation continues. With the present perfect it goes **before haven't / hasn't** and sounds impatient. Also: I still live… / She's still asleep.

Sujeto + still + haven't / hasn't + participio

I **still** haven't found my keys!
→ ¡Todavía no he encontrado las llaves!

My brother **still** lives with my parents.
→ Mi hermano todavía vive con mis padres.

It's midday and he's **still** in bed.
→ Es mediodía y todavía está en la cama.

Moving day! 📦

Hi everyone, Carla here! It's Saturday and I'm finally moving into my first flat. It's only 10 a.m. but I've already done a lot: I've packed all my clothes, and my dad has just arrived with the van. My best friend, Nuria, has already put all my books into boxes. What a star!

But there are still some problems. The landlord still hasn't sent me the keys — he says they're "in the post"! I haven't cancelled my old internet contract yet, and I haven't bought a fridge yet either. Oh, and the removal company has just called: they're going to be late.

Have I eaten yet? No, not yet — but my mum has just brought some sandwiches. I don't live with my parents any more… but I still need them!
