FOR y SINCE

For and since · How long...? · desde / desde hace

Nivel B1

Con el present perfect + for / since hablamos de algo que empezó en el pasado y sigue ahora.

1 FOR = desde hace

- + un periodo de tiempo
- for two years · for a week · for ages
- I've lived here for 3 years. (desde hace 3 años)

2 SINCE = desde

- + el punto de inicio
- since 2020 · since Monday · since I was ten
- I've known her since May.

3 HOW LONG...?

- = ¿Cuánto tiempo hace que...?
- How long have you lived here?
- — For six months. / Since May.

4 ¡No uses el presente!

- Español: «Vivo aquí desde 2020».
- Inglés: I've lived here since 2020.
- Situación que sigue → present perfect.

5 Verbos típicos

live · know · work · be · have · want

Negativa: I haven't seen him for months. (Hace meses que no lo veo.)

7 Error común

✗ I live here since 2020.

✓ I've lived here since 2020.

situación que sigue → present perfect

6 Español → inglés

desde hace + periodo	for
desde + momento	since
hace + periodo (pasado)	ago

Mini ejercicio

Completa con for, since o How.

Complete with for, since or How.

1. I've had this phone _____ two years.
2. She's worked here _____ March.
3. We've known each other _____ ages.
4. He's been ill _____ Monday.
5. _____ long have you lived here?

Explicación · Explanation

Lee cada recuadro despacio. Primero en español, luego en inglés. Read each box slowly: first in Spanish, then in English.

¿Qué es? · What is it?

Para hablar de una situación que **empezó en el pasado y continúa ahora**, el inglés usa el **present perfect + for / since**. Aquí está la gran trampa: el español usa el presente («Vivo aquí desde hace tres años»), pero el inglés necesita el present perfect: **I've lived here for three years**. Piensa en una línea que sale del pasado y llega hasta hoy.

For a situation that started in the past and **continues now**, English uses the **present perfect + for / since**, not the present simple.

Sujeto + have / has + participio + ... + for + periodo

Sujeto + have / has + participio + ... + since + inicio

1 · FOR + periodo · for + a period of time

For va con un **periodo**: una cantidad de tiempo que puedes **contar** (diez minutos, dos días, tres años) o expresiones como for ages (desde hace siglos), for a long time, for a while. En español equivale a «**desde hace**», «**llevar** + tiempo» o «**hace** ... que».

for + a period of time you can count: for ten minutes, for three years, for ages.

have / has + participio + for + two hours / a week / ages

I've lived in Seville **for** three years.
→ Vivo en Sevilla desde hace tres años.

We've been friends **for** ages.
→ Somos amigos desde hace siglos.

She's worked from home **for** six months.
→ Lleva seis meses teletrabajando.

2 · SINCE + punto de inicio · since + a starting point

Since va con el **momento en que empezó** la situación: una hora (since 9 a.m.), un día (since Monday), una fecha (since 2020), un evento (since Christmas) o una frase en **past simple** (since I was a child, since we met). En español: «**desde**» o «**desde que**».

since + the moment the situation started: since Monday, since 2020, since I was a child.

have / has + participio + since + Monday / 2020 / I was ten

I've had this phone **since** Christmas.
→ Tengo este móvil desde Navidad.

He's been a vegetarian **since** 2021.
→ Es vegetariano desde 2021.

They've known each other **since** they were kids.
→ Se conocen desde que eran niños.

FOR y SINCE

For and since · How long...? · desde / desde hace

📖 Explicación · Explanation | Nivel B1

3 · Preguntas: HOW LONG...? · Questions: How long...?

Para preguntar por la duración usamos **How long + have / has + sujeto + participio...?** = «¿Cuánto tiempo hace que...?», «¿Desde cuándo...?». Se responde con **for** o **since** (o *all my life*, «toda la vida»). ¡No traduzcas «¿Desde cuándo...?» como ~~Since when are you...?~~!

How long + have / has + subject + participle? Answer with **for** or **since**.

How long + have / has + sujeto + participio + ...?

- **How long have** you **had** your car? — **For** two years.
  → ¿Cuánto tiempo hace que tienes el coche? — Dos años.
- **How long has** she **been** your boss? — **Since** May.
  → ¿Desde cuándo es tu jefa? — Desde mayo.
- **How long have** they **been** married? — **For** thirty years.
  → ¿Cuánto tiempo llevan casados? — Treinta años.

4 · ¿Por qué no el presente? · Why not the present simple?

I live here solo dice dónde vives **ahora**. Si añades una duración (for / since) unes pasado y presente: eso es trabajo del **present perfect**. También en negativa: «Hace meses que no lo veo» = **I haven't seen him for months.**

Duration up to now → **present perfect**, never the present simple. Negative: I haven't seen him for months.

Sujeto + have / has (not) + participio + for / since

- I've known him for years. (not: I know him for years)
  → Lo conozco desde hace años.
- I haven't seen Laura since the summer.
  → No veo a Laura desde el verano.
- We haven't had a holiday for two years.
  → Hace dos años que no tenemos vacaciones.

FOR, SINCE o AGO · for, since or ago?

Las tres hablan de tiempo, pero no son intercambiables. **for** mide la **duración**, **since** marca el **inicio** y **ago** dice **cuánto tiempo hace** que pasó algo terminado: va con **past simple** y detrás del periodo.

for = duration, **since** = starting point, **ago** = how long before now (past simple).

for · desde hace

- I've lived here **for** 2 years.
- + present perfect
- duración

since · desde

- I've lived here **since** 2024.
- + present perfect
- inicio

ago · hace

- I moved here 2 years **ago**.
- + past simple
- momento pasado

¿Sigue o terminó? · Still true or finished?

for también puede ir con el **past simple**, pero el significado cambia. Present perfect = la situación **continúa**. Past simple = la situación **ya terminó**.

Present perfect + for = it continues. Past simple + for = it's finished.

Sigue · present perfect

- I've worked here for 5 years. (Sigo aquí.)
- She's lived in Rome for a year. (Vive allí.)

Terminó · past simple

- I worked there for 5 years. (Ya no.)
- She lived in Rome for a year. (Ya no vive allí.)

Meet Rosa, the heart of Café Luna

Rosa Martín has run Café Luna in Salamanca since 2006. That means she has worked there for twenty years! Before that, she lived in London for three years, where she learnt English and fell in love with good coffee.

Rosa has known most of her customers for years. Some of them have come to the café every morning since it opened. Her favourite customer is Mr Gómez, a retired teacher. He has had the same breakfast — toast and a café con leche — since 2010!

Rosa hasn't had a proper holiday since 2019, but she isn't worried. "I've loved this job since the first day," she says. "Why would I want a holiday?" Her daughter, Elena, has helped her in the café since last summer, so maybe Rosa will go back to London one day.
