Used to · antes solía…, antes hacía…

📖 Explicación · Explanation | Nivel B1

Explicación · Explanation

Lee cada recuadro despacio. Primero en español, luego en inglés. Read each box slowly: first in Spanish, then in English.

¿Qué es? · What is it?

🇪🇸 **Used to** sirve para hablar de cosas que pasaban o eran verdad en el pasado y ya no lo son: hábitos repetidos (I used to play football every Saturday) y situaciones o estados (I used to have long hair). En español lo decimos con **solía** o con el **pretérito imperfecto** («jugaba, tenía»). Siempre lleva la idea de «antes sí… ahora no».

🇬🇧 **Used to** talks about past habits and states that are no longer true.

Sujeto + used to + infinitivo

1 · Afirmativa · Affirmative

🇪🇸 **Used to** no cambia: es igual para todas las personas (I, you, he, she, we, they). Detrás va siempre el **infinitivo sin to**: used to play, nunca ~~used to playing~~ ni ~~used to played~~. Se pronuncia /ˈjuːstə/: la d casi no suena («iústa»).

🇬🇧 **Used to** is the same for all persons and is followed by the infinitive. Pronunciation: /ˈjuːstə/.

I / you / he / she / we / they + used to + infinitivo

⚽ I used to play football every Saturday.
→ Antes jugaba al fútbol todos los sábados.

🎸 My dad used to have long hair. Can you believe it?
→ Mi padre tenía el pelo largo. ¿Te lo puedes creer?

🏡 We used to spend every summer at my grandparents' house.
→ Pasábamos todos los veranos en casa de mis abuelos.

2 · Negativa · Negative

🇪🇸 Para la negativa usamos **didn't + use to** + infinitivo. ¡Ojo! Como **didn't** ya marca el pasado, **use** va sin **-d**: didn't use to. (Es la misma regla que didn't go, no ~~didn't went~~.) También se puede decir **never used to**.

🇬🇧 Negative: **didn't use to** + infinitive (no -d after didn't). You can also say **never used to**.

Sujeto + didn't use to + infinitivo

Sujeto + never used to + infinitivo

🥦 I didn't use to like vegetables, but now I love them.
→ Antes no me gustaban las verduras, pero ahora me encantan.

📚 She didn't use to study much at school.
→ Ella no estudiaba mucho en el colegio.

🧳 We never used to go abroad on holiday.
→ Nunca íbamos de vacaciones al extranjero.

3 · Preguntas · Questions and short answers ?

🇪🇸 Preguntas: **(Wh-) + did + sujeto + use to + infinitivo?** Otra vez **use** sin -d, porque ya está **did**. Respuestas cortas con **did / didn't**: Yes, I did. / No, I didn't.

🇬🇧 Questions: **(Wh-) + did + subject + use to + verb?** Short answers: Yes, I did. / No, I didn't.

Did + sujeto + use to + infinitivo?

Wh- + did + sujeto + use to + infinitivo?

👓 **Did** you **use to** wear glasses? — Yes, I **did**.
→ ¿Antes llevabas gafas? — Sí.

📍 **Where did** you **use to** live before Madrid?
→ ¿Dónde vivías antes de Madrid?

☎️ **What did** people **use to** do without mobile phones?
→ ¿Qué hacía la gente sin móviles?

Todo junto · All together 🧩

Sujeto · Subject	✅ Afirmativa	⛔ Negativa	❓ Pregunta	💬 Respuesta corta
I	I **used to** skate.	I **didn't use to** skate.	**Did** I **use to** skate?	Yes, I did. / No, I didn't.
you	You **used to** skate.	You **didn't use to** skate.	**Did** you **use to** skate?	Yes, you did. / No, you didn't.
he / she / it	She **used to** skate.	She **didn't use to** skate.	**Did** she **use to** skate?	Yes, she did. / No, she didn't.
we	We **used to** skate.	We **didn't use to** skate.	**Did** we **use to** skate?	Yes, we did. / No, we didn't.
they	They **used to** skate.	They **didn't use to** skate.	**Did** they **use to** skate?	Yes, they did. / No, they didn't.

🇪🇸 Truco: **used** (con d) solo en la afirmativa. Si hay **did / didn't** → **use** (sin d).

🇬🇧 used (with -d) only in the affirmative; with did / didn't → use.

USED TO

Used to · antes solía..., antes hacía...

📖 Explicación · Explanation | Nivel B1

4 · Hábitos y estados · Habits and states

🇪🇸 **Used to** vale para dos cosas: **acciones repetidas** (hábitos: play, go, eat, watch) y **estados** o situaciones que duraban (have, be, live, like, know). En los dos casos, ya no es así. Muy útil: **there used to be** = «antes había».

🇬🇧 **Used to** works for **repeated actions** (habits) and **states** (have, be, live, like). **There used to be** = there was before, but not now.

Hábito + I used to + go + to the gym

Estado + I used to + be + shy

I **used to** watch cartoons every morning before school.
→ Veía dibujos todas las mañanas antes del cole.

He **used to** be really shy, but now he's a YouTuber.
→ Antes era muy tímido, pero ahora es youtuber.

There used to be a bookshop on this corner.
→ Antes había una librería en esta esquina.

¿USED TO o PAST SIMPLE? · used to or past simple?

🇪🇸 Las dos hablan del pasado, pero **used to** es para hábitos y estados que duraron un tiempo y ya no son así (como el imperfecto: iba). Para una acción de una sola vez, una fecha concreta, cuántas veces o un periodo cerrado (for two years), usa el **past simple** (como el indefinido: fui).

🇬🇧 **Used to** = repeated habits / long states, now finished. One action, a date, a number of times or a fixed period → **past simple**.

used to · hábito / estado

- I **used to** go to Italy every summer. (iba)
- She **used to** live in Rome. (vivía)
- We **used to** play chess a lot. (jugábamos)

1 past simple · una vez / fecha

- I **went** to Italy last summer. (fui)
- She **lived** in Rome for two years. (vivió)
- We **played** chess three times yesterday. (jugamos)

Truco: la regla de la D · The D rule

🇪🇸 La **d** de **used** es la marca de pasado. Solo puede haber una marca de pasado por frase: si ya está **did / didn't**, la d desaparece. I used to... → I didn't use to... → Did you use to...? ¡Igual que I went → I didn't go!

🇬🇧 Only one past marker per sentence: with did / didn't, write **use to** (no -d).

USED TO

Used to · antes solía..., antes hacía...

📖 Explicación · Explanation | Nivel B1

5 · ¿Y en presente? USUALLY · Present habits: usually

En español decimos «suelo» en presente, pero **used to** solo existe en pasado. Para los hábitos de ahora usa el **present simple**, normalmente con **usually**: ~~I use to get up at 7~~ → **I usually get up at 7.**

Used to only exists in the past. For present habits use the present simple + **usually**.

Pasado + used to + verbo

Presente + usually + present simple

I **usually** get up at seven.
→ Suelo levantarme a las siete.

I **used to** get up at six when I lived in the country.
→ Antes me levantaba a las seis, cuando vivía en el campo.

She **usually** takes the bus, but she **used to** cycle.
→ Normalmente coge el autobús, pero antes iba en bici.

Don't use used to with a number of times or an exact date.

USED TO ≠ BE USED TO · Don't mix them up

Solo para que no te líe: **be used to + -ing** significa «estar acostumbrado a» y puede ir en presente. Lo estudiarás a fondo más adelante; de momento, aprende a reconocerlo.

be used to + -ing means «be accustomed to». It's different! Just learn to recognise it for now.

used to + infinitivo

My town: then and now

My name is Marta and I grew up in Cangas, a small fishing town in Galicia. When I was a child, life there used to be very quiet. There didn't use to be many cars, so we used to play football in the street until it got dark.

My dad was a fisherman. He used to get up at four in the morning and he didn't use to come home until the afternoon. My mum used to sell his fish at the market. On Sundays, the whole family used to have lunch at my grandparents' house.

Things are very different now. There's a big supermarket where the market used to be, and in summer the town is full of tourists. I live in Madrid now and I usually visit Cangas twice a year. I love it, but I sometimes miss the old days.

1. When Marta was a child, there were a lot of cars in Cangas. T F
2. Her dad used to start work very early. T F
3. Her mum used to work at the market. T F
